

## Day-4 Dynamic Frontend Component

### [Nike Marketplace]

Focus on designing and developing modular, reusable frontend components to display marketplace data dynamically using Sanity CMS or APIs.

# Components:

## 1. Product Listing Component :

This is the Product Listing Page, where all products are dynamically displayed in an interactive and responsive layout. Each item is fetched in real-time, ensuring an up-to-date and seamless browsing experience.

The screenshot shows a product listing page for Nike. At the top, there's a navigation bar with the Nike swoosh logo, a search bar, and links for 'Find a Store', 'Help', 'Join Us', and 'Sign in'. Below the navigation, there's a category selector showing 'New(500)' and a filter icon. On the left, a sidebar titled 'Sort By' lists various categories: Shoes, Sports Bras, Tops & T-Shirts, Hoodies & Sweatshirts, Jackets, Trousers & Tights, Shorts, Tracksuits, Jumpsuits & Rompers, Skirts & Dresses, Socks, and Accessories & Equipment (4 items). The main content area displays a grid of products. The first item is a Nike Court Vision Low Next Na... (\$4995) in Men's Shoes, shown in black and blue. The second item is an Air Jordan 1 Elevate Low (\$11895) in Women's Shoes, shown in white. The third item is a Nike Air Max 270 (\$13295) in Men's Shoes, shown in white. Below these are partial views of other products: a white tank top and a white and orange sneaker.

| Product                          | Category      | Price   |
|----------------------------------|---------------|---------|
| Nike Court Vision Low Next Na... | Men's Shoes   | \$4995  |
| Air Jordan 1 Elevate Low         | Women's Shoes | \$11895 |
| Nike Air Max 270                 | Men's Shoes   | \$13295 |

## 2. Product Detail Page (slugPage).

This is the product's dynamic slug page, which loads specific details whenever you click on a product. It ensures a seamless navigation experience by fetching real-time data for each item.

The screenshot shows a product detail page for the Nike Court Vision Low Next Nature. At the top, there is a navigation bar with links for News & Featured, Men, Women, Kids, Sale, SNKRS, and Store. A search bar is also present. Below the navigation, the product title "Nike Court Vision Low Next Nature" is displayed in large, bold, black font. A detailed description follows, stating: "The Nike Court Vision Low Next Nature combines retro basketball style with modern sustainability. Made with at least 20% recycled content, it features a sleek design, durable materials, and ultimate comfort for everyday wear." To the left of the text is a large image of the black and blue sneaker. Below the description, the price "\$4995" is shown. Further down, there are dropdown menus for "Size" and "Quantity" (set to 1). A note indicates "35 items in stock". At the bottom, two prominent buttons are visible: "Add to Cart" and "Buy Now!".

### 3. Category Page.

Here, products are dynamically filtered based on categories such as "Men's Shoes" and "Women's Shoes." This feature enhances user experience by allowing quick and easy navigation to the desired products.

## 5. Search Bar Component.

This is a functional search bar that allows you to search for products by their names and categories, making it easier to find what you need quickly and efficiently.

The screenshot shows the Nike website's product listing for women's shoes. At the top, there is a navigation bar with links for 'Find a Store', 'Help', 'Join Us', and 'Sign in'. Below the navigation is the Nike swoosh logo and a search bar containing the text 'Women's shoes' with a magnifying glass icon. To the right of the search bar are icons for a heart (like) and a shopping bag. The main content area is titled 'Women's Shoes' and displays four product cards in a grid:

At the bottom of the page, there are navigation controls: '< Previous' and 'Next >' with a central page number '1'.

## 6. Cart Page.

This page serves as your shopping cart, providing a comprehensive overview of the items you've added. Here, you can meticulously examine the selected products, confirming details such as the specified quantity, chosen color, size, and any other relevant attributes. After carefully verifying the contents of your cart, you can confidently proceed to the checkout process to finalize your purchase.

**FAQs**

Does my card need international purchases enabled?  
Yes, we recommend asking your bank to enable international purchases on your card. You will be notified at checkout if international purchases need to be enabled.  
Please note, some banks may charge a small transaction fee for international orders.

Can I pay for my order with multiple methods?  
No, payment for Nike orders can't be split between multiple payment methods.

What payment method is accepted for SNKRS orders?  
You can use any accepted credit card to pay for your SNKRS order.

Why don't I see Apple Pay as an option?  
To see Apple Pay as an option in the Nike App or on Nike.com, you'll need to use a compatible Apple device running the latest OS, be signed in to your iCloud account and have a supported card in your Wallet. Additionally, you'll need to use Safari to use Apple Pay on Nike.com.

## **Ending.**

*Wrapping up this project has been an incredible journey! I have truly enjoyed every moment of designing and building these dynamic frontend components. This project has not only strengthened my skills but has also fueled my enthusiasm for creating scalable and interactive user experiences. But this is just the beginning! I am still working on it, continuously refining and upgrading my work to enhance functionality and performance. There's so much more to come, and I'm excited about the future updates and improvements. Stay tuned for what's next—this journey is far from over!*
